ware lost was an American. It was because of the loss of the life of this American that our government took notice of the violation of the rules of maritime warfare by German submarines.

Die Post says that the claim

of our government that American citizens shall be protected in their right to voyage through the war some in ships of helligerent powers is a most remarkable one. In what respect is it remarkable? Germany doesn't own the waters around the British Isles, Those waters are a part of the open sea and the citizens of any nation, especially neutral nations, have the right to travel on ships navigating them; whether the shim belong to belligerents or nor -Germany may have the right to capture and destroy ships of belligercuts but she hasn't the right. to destroy them without first giving their passengers and crews a chance to escape. There is no principle of maritime warfare more completely settled than that is. As we have a number of times pointed out the German government has admitted it. It. admitted it when it instructed the commander of its submarines to give crews and passengers. time to escape before torpedoing

merchant ships. What the German government is trying to do is to establish new semations are not confused, and people why don't they state ex-rules of submarine variarethe eald-sensation seems to be actly what the note does de-rules that are in its own interest and do not take into account the rights of neutrals. An interesting and wedding of Tuesday evening was that of Miss Bertha Stanton and Mr. Woodfin Parkman, which was solemnized at the First Baptist church. Only the families of the contracting parties and several close friends were present to witness the ecremony which was impressively performed by Rev. E. H. Jennings.

The bride was musually pretty in a Copenhagen blue silk suit, with becoming but to match. She carried an arm cluster of bride's roses and fern.

Immediately after the eeremony, the wedding party were entertained at a large supper party by Mr. and Mrs. Parkman, the parents of the groom, at their home on the Headland Road.

Mrs. Parkman, as Mrs. Stan-Aon, has lived in Pothan over cycar, having made her home with Mr. and Mrs. Gray. She was connected with the telephone company, and by her conrteous manners, has made many friends who will be interested in her wedding.

Mr. Parkman is a popular member of the firm of Parkman & Hornsby. He has been reared in Dothan, and his host of friends congratulated him on his good
